Help with travel

The travel tokens are a national scheme and can be used anywhere in the UK. However it is down to individual operators whether they will accept them or not and that is their decision to do so.

The tokens have a cash value and change is given in cash. You can buy rail cards with them, you can pay for your taxi fare with them (but we advise it is the person's responsibility to check that the tokens will be accepted before they book their journey). VAR accept them also. Rutland County Council issue £44 per year to the applicant. The application form is sent through to Rutland County Council who issue the tokens and each year during March, we contact applicants direct from the year before to see if they wish to renew their claim.

The tokens are very helpful but for those travelling frequently, it is more advisable to claim their free bus pass and then book their journeys with VAR as their passes would be acceptable for half the fare Further information and application from Sally Killips, Rutland County Council,t: 01572 758229

The Uppingham Town Partnership; who are we?

It was created by the County Council and comprises members of the Town Council, County Council and volunteers who live or work in the Town. Some of them have known the Town all their lives.

Three representatives each from the County and Town Councils are voted on to the Town Partnership at their Annual meeting.

The County Council's representatives should include at least one Ward member and the Cabinet member responsible for Economic Development. There is also representation from the Rutland Youth Council. Membership is open to anyone who lives or works in the Town and more information on how to get involved can be obtained by contacting the secretary at:susieburrows7@yahoo.co.uk

Consideration will always be given to anyone who is able to fill a gap in the membership of the Partnership and there is no limit to those who would like to help organise any of the events they put on. The Uppingham Town Partnership mirrors The Oakham Town Partnership as a bridge between the Town and County Councils and the wider Community.

They also put on Community events throughout the year; The Uppingham Feast, The Annual Family Fun Day, Late Night Shopping, Antiques Brocante and the Monthly Uppingham Film Night.
