

SPOT AND STOP FRAUDSTERS

Fraudsters target you in many ways:

- X Cold-calling, scam mail/post, emails and texts
- X Through pushy sales techniques e.g. demanding money up-front
- X Over promising i.e. if it sounds too good to be true, it probably is

You can protect yourself and help stop them by:

- ✓ Taking your time and saying no to offers if unsure
- ✓ Never sending money to claim a prize
- ✓ Protecting your personal information

**Report all fraud and get advice from
Action Fraud**
