To whom should the grant aid cheque be made payable to?	Uppingham C of E Primary School	

### Part 2 – What is your idea and reason for applying for grant aid funds from Uppingham Town Council?

We are currently in lockdown providing “Remote Learning” to all the children in our school. At the moment not all of our families have devices that will enable them to access the full provision on offer from the school. We would like to purchase devices that can be sent home to families to enable children to access all high quality remote learning on offer.

### Part 3 – Who in the community would benefit from your project and what difference would it make?

Families would benefit from being able to access sessions to support engagement and motivation of children, it is recognised that it is harder for children to engage with learning at home and this is a way of teachers supporting children with learning at home. It will also keep a sense of community between home and school which also increases children’s engagement when they feel a part of the school. By keeping in touch with their class it will contribute positively to an individual child’s mental health and wellbeing will help contribute to children’s wellbeing. Devices for families will enable children to access quality online teaching resources for learning.

### Part 4 – How will you know the project has been a success having used the money requested?

We are monitoring the engagement of children accessing remote learning and we would see an increase in:

- work submitted

- interactions and messages between home and school
- attendance of online meetings.

When lockdown ends and we return to school we would expect children to settle back into the school routine quicker with fewer gaps in learning as a result of engaging more fully with remote learning.
