Dear Sharon

I am the Clerk to the Trustees of the James Thorpe Charity which owns the three terraced almshouse bungalows ( 16.18.20. Ayston Road).

The Charity's Constitution states that a nominative Trustee shall be appointed by Uppingham Town Council for a term of four years

The present nominative Trustee is Richard Baines who has now finished his four year term of office. At the Charity's recent AGM the Trustees agreed to seek Richard Baine's renomination, as he is willing and keen to continue serving as your Trustee.

Could you please make this an agenda item for the Council at your convenience. Please don't hesitate to contact me if you require any more information

Yours sincerely

Richard Reeve
